You may notice three sections now to complete your benefit elections. Action Required, Selected Plans and Eligible Plans.

- **Action Required** –*These are items that need to be reviewed to move forward. These plans could require a beneficiary or need to waive. As these items are complete, they will move to either the Selected Plans section or Eligible Plans section.*
- **Selected Plans** –*These are benefit plans that the employee is enrolled in and can make changes. If the employee decides that they would like to waive a benefit or unenroll from a benefit within this section, it will move to the Eligible Plans section.*
- **Eligible Plans** –*These are other benefit plans that are available to the employee to enroll in. If the employee selects a benefit plan in the eligible plans section, they will move to the selected plans section.*

When you click **view all plans**, all available plan options will be displayed on the screen for that plan type.
